How do I vote in advance by proxy?

Your vote is important. Whether or not you attend the Meeting, you may appoint someone else to vote for you as your proxy holder. You may use the enclosed Form of Proxy, or any other acceptable Form of Proxy, to appoint your proxy holder. The persons named in the enclosed Form of Proxy, Paul Huizinga, Bastien Commet, and Audrey Mascarenhas, are Directors of the Corporation. **However, you may choose another person to act on your behalf at the Meeting.** The person of your choice need not be a shareholder. You may do so by inserting that person's name in the blank space provided on the enclosed Form of Proxy or by completing another acceptable Form of Proxy. To ensure your vote is counted, the completed proxy forms must be deposited with Computershare Trust Company of Canada at the address indicated on the proxy form by 1:00 p.m. MST Monday June 17, 2024.

How will my proxy be voted?

On your Form of Proxy, you may indicate how you wish your proxyholder to vote your common shares. Common shares represented by properly executed Forms of Proxy in favour of the Management nominees named on the enclosed Form of Proxy will be voted or withheld from voting on any ballot that may be called for and, where you have specified a choice with respect to any matter to be acted upon, your common shares will be voted in accordance with the choice you have made.

If you have not specified a choice, your common shares will be voted FOR the fixing of the number of members of the Board of Directors to be elected at the Meeting at five, FOR the election of the proposed nominees as Directors, FOR the approval of the option plan, FOR the approval of the PSU &RSU plan, FOR the approval of the DSU plan and FOR the appointment of MNP LLP as auditors.

Proxy voting options

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders must complete, date, sign and return by regular mail the accompanying Form of Proxy, or any other acceptable Form of Proxy, to the Corporation's transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 for the attention of Proxy Department. Such votes must be received by the Corporation's transfer agent no later than 1:00 p.m. MST Monday June 17, 2024, or any adjournment(s) thereof, or may be, at the discretion of the Chairman, deposited with the Chairman of the Meeting prior to its commencement.

Non-registered shareholders (e.g., those whose common shares are held through a "nominee",- usually banks, trust companies, securities brokers or other financial institutions) will be provided with voting instructions by the nominee. Please see further instructions under the heading "How can a non-registered or beneficial shareholder vote?"

What if there are amendments or if other matters are brought before the Meeting?

The enclosed Form of Proxy gives the persons named on its authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.

As of the time of printing of this Information Circular, Management is not aware of any other matter to be presented for action at the Meeting. If, however, other matters properly come before the Meeting, the persons named on the enclosed Form of Proxy will vote on them in accordance with their judgement, pursuant to the discretionary authority conferred by the Form of Proxy with respect to such matters.

What if I change my mind and want to revoke my proxy?

You may revoke your proxy at any time before it is acted upon. You may do this by stating clearly, in writing, that you wish to revoke your proxy and delivering this signed written statement to the Corporation's Secretary at Questor Technology Inc., 2240, 140 – 4th Avenue S.W., Calgary, Alberta, T2P 3N3, not later than 1:00 p.m. MST Monday June 17, 2024, or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. You may also revoke your proxy by delivering to the Corporation's transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 for the attention of Proxy Department, a properly executed proxy of later date, or in any other manner permitted by law.

Who counts the votes?

Proxies will be counted and tabulated by the Corporation's transfer agent - Computershare Trust Company of Canada.

Is my vote confidential?

The Corporation's transfer agent maintains the confidentiality of individual shareholder votes. However, proxies will be submitted to Management where they contain comments clearly intended for Management, in the event of a proxy contest or to meet legal requirements.

How can a non-registered or beneficial shareholder vote?

If you do not hold your common shares in your name, you are a beneficial shareholder. Only proxies for shareholders of record or registered shareholders can be recognized and voted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, most of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder.

Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, beneficial shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Intermediaries and brokers are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary and broker have its own mailing procedures and provides its own return instructions to clients, which should be followed carefully by beneficial shareholders in order to ensure that their common shares are voted at the Meeting. Often, the Form of Proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is identical to the Form of Proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (broker or agent of the broker) as to the manner in which to vote on behalf of the beneficial shareholder. The majority of brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions, Inc. ("**Broadridge**"). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the beneficial shareholders and asks beneficial shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Shareholders' meeting. **A beneficial shareholder receiving a proxy with a Broadridge sticker on it cannot use such proxy to vote his or her shares directly at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted at the Meeting.**

All references to shareholders in this Information Circular and the accompanying Form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders who produce proof of their identity.

How can a non-registered shareholder vote in person at the Meeting?

Since the Corporation's transfer agent does not have a record of the names of the Corporation's non-registered shareholders, it will have no knowledge of your entitlement to vote, unless your nominee has appointed you as proxy holder. Therefore, if you are a non-registered shareholder and wish to vote in person at the Meeting, please insert your own name in the space provided on the Form of Proxy or follow the corresponding directions on the voting instruction form sent to you by your nominee. By doing so, you are instructing your nominee to appoint you as proxy holder. It is not otherwise necessary to complete the Form of Proxy on voting instruction, as you will be voting at the Meeting. **In either case, you should carefully follow the instructions of your intermediary and its service company and ensure that instructions respecting the voting of your shares are communicated to the appropriate person.**

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Directors of the Corporation, the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice of Meeting.

In the absence of instructions made on a proxy, it is the intention of the Management designees, if named as proxy, to vote FOR the approval of all the matters referred to in the Notice of Meeting and as outlined below.

The audited financial statements of the Corporation for the year ended December 31, 2023 and the auditors' report thereon shall be placed before the shareholders. These audited financial statements have been approved by the Audit Committee of the Board of Directors and by the full Board of Directors of the Corporation. Shareholders are not required to vote on these financial statements.

Fixing the Number of Members of the Board of Directors

Unless such authority is withheld, the Management designees, if named as proxy, intend to vote the common shares represented by any such proxy for fixing the number of members of the Board of Directors to be elected at the Meeting at five.

- | | |
|------------------|-----------------------|
| 1) Paul Huizinga | 2) Audrey Mascarenhas |
| 3) Jason Smith | 4) Bastien Commet |

Approval of the Stock Option Plan

At the Meeting, Shareholders will be asked to reapprove the Corporation's stock option plan (the "Option Plan"). The Option Plan, approved by the Board and the shareholders effective September 15, 2016, is attached hereto as Schedule "D".

The Option Plan is made in accordance with the TSX Venture Exchange (the "Exchange" or the "TSXV") policy on listed company share-incentive arrangements. The purpose of the Option Plan is to afford persons who provide services to the Corporation, whether as directors, officers, employees or otherwise, an opportunity to obtain an interest in the Corporation by permitting them to purchase Common Shares. The Option Plan aims to attract and retain persons of desired experience and ability to the Corporation and to retain and encourage the continued involvement of such persons with the Corporation.

The Option Plan is administered by the Board. The Compensation and Governance Committee is responsible for recommending for approval to the Board the number of common shares subject to each option within the guidelines established by the TSXV.

In accordance with the policies of the TSXV, the Corporation may grant options to the following persons: (i) directors, officers and employees of the Corporation; (ii) consultants to the Corporation; (iii) persons employed to provide investor relations; or (iv); a company that is wholly owned by a person providing services listed in i, ii or iii above; and (v) management company employees.

The options enable the holders to purchase common shares of the Corporation at a price fixed in accordance with the policies of the TSXV. The exercise price per common share for an option shall be not less than the "Discounted Market Price" as calculated pursuant to the TSXV policies, or such other minimum price as may be required by the TSXV.

The number of common shares reserved for issuance under the Option Plan and any other security-based compensation arrangement in any 12-month period to any one Optionee may not exceed 5% of the issued and outstanding common shares at the date of the grant, unless the Corporation has obtained the requisite disinterested Shareholder approval.

The number of common shares reserved for issuance under the Option Plan and any other security-based compensation arrangement in any 12-month period to any one consultant may not exceed 2% of the issued and outstanding common shares at the date of the grant.

The number of common shares reserved for issuance under the Option Plan and any other security-based compensation arrangement in any 12-month period, in aggregate, to all persons conducting investor relations activities may not exceed 2% of the issued and outstanding common shares at the date of the grant.

The aggregate number of common shares reserved for issuance to insiders (as a group) in any 12-month period under the Option Plan and any other security-based compensation arrangement may not exceed 10% of the outstanding common shares at the time of the grant, unless the Corporation has obtained the requisite disinterested Shareholder approval.

The aggregate number of common shares reserved for issuance to insiders (as a group) under the Option Plan and any other security-based compensation arrangement may not exceed 10% of the outstanding common shares at any point in time, unless the Corporation has obtained the requisite disinterested Shareholder approval.

All Options granted shall be exercisable for a period as determined by the Board. Every option granted under the Option Plan shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant subject to any applicable securities laws or regulations.

Subject to the Option Plan and otherwise in compliance with the policies of the TSXV, the Board shall determine the manner in which an option shall vest and become exercisable. Options granted to consultants performing investor relations activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such options vesting in any three-month period.

Options issued pursuant to the Option Plan may not be assigned or transferred.

If a Participant is dismissed or terminated as a Director, Employee or Consultant of the Corporation or any of its subsidiaries for cause, all unexercised Options of the Participant under the Plan shall immediately terminate forthwith without further notice to the Participant, notwithstanding the original term or vesting of the Options granted to such Participant under the plan or Option Agreement.

If a Participant dies prior to otherwise ceasing to be an eligible person, each option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 12 months after the date of the Participant's death.

If a Participant ceases to be an eligible person other than in the circumstances set out above, each option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 90 days after such terminating event, always provided that the Board may allow for each option held by such Participant to terminate and cease to be exercisable on such later date following the Participant ceasing to be an eligible person as the Board in its discretion may determine is reasonable, provided however that all options shall expire no later than twelve months following the Participant ceasing to be an eligible person.

If any portion of an option is not vested at the time a Participant ceases, for any reason whatsoever, to be an eligible person, such unvested portion of the option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the option, provided however that all options shall expire no later than twelve months following the Participant ceasing to be an eligible person.

The Option Plan provides that if a change of control of the Corporation occurs (including a consolidation, merger, amalgamation, arrangement or acquisition which results in the holders of the Corporation's common shares holding less than 50% of the outstanding shares of the successor corporation), all of the options issued pursuant to the Option Plan will become vested and may be exercised in whole or in part by the Participant, subject to the approval of the TSXV, if necessary.

In accordance with the Policy 4.4 of the TSXV, a listed company on the TSXV is required to obtain the approval of shareholders and the TSXV for a "rolling" Option Plan annually. Accordingly, at the Meeting, Shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution re-approving the Option Plan. The TSXV has conditionally approved the Option Plan, subject to the approval of the Shareholders at the Meeting.

Approval Required

At the Meeting, Shareholders will be asked to approve the following by ordinary resolution:

"BE IT RESOLVED, as an ordinary resolution of the holders of voting common shares in the capital of Questor Technology Inc. (the "Corporation"), that:

1. the stock option plan of the Corporation, in form attached as Schedule "D" to the Information Circular and Proxy Statement of the Corporation is hereby authorized and approved until the next annual general meeting of the shareholders of the Corporation;

Approval of the Performance Share Unit and Restricted Share Unit Plan

At the Meeting, Shareholders will be asked to reapprove the Corporation's Performance Share Unit and Restricted Share Unit Plan (the "PSU&RSU Plan") by ordinary resolution. The PSU&RSU Plan, approved by the Board and the shareholders effective July 10, 2019, is attached hereto as Schedule "E".

The PSU&RSU Plan provides for grants of RSUs and PSUs (RSUs and PSUs, as applicable, referred to as a "Unit") to Eligible Persons (defined under the PSU&RSU Plan to be designated officers, employees or consultants of the Company or any of its affiliates). The purpose of the PSU&RSU Plan is to advance the interests of the Company by: (i) providing Eligible Persons with additional incentives; (ii) encouraging stock ownership by such Eligible Persons; (iii) increasing the proprietary interest of Eligible Persons in the success of the Company; (iv) promoting the growth and profitability of the Company; (v) encouraging Eligible Persons to take into account long-term corporate performance; (vi) rewarding Eligible Persons for sustained contributions to the Company and/or significant performance achievements of the Company; and (vii) enhancing the Company's ability to attract, retain and motivate Eligible Persons.

The maximum number of Common Shares reserved for issuance, in the aggregate, under the PSU&RSU Plan and all other security-based compensation arrangements of the Company (being the Option Plan and the DSU Plan), is 10% of the aggregate number of outstanding Shares from time to time (calculated on a non-diluted basis). In addition: (a) the maximum number of Shares issuable to insiders and their associates at any time under all security-based compensation arrangements of the Corporation shall not exceed 10% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; (b) the maximum number of Shares that may be issued to insiders and their associates within any one year period under all security-based compensation arrangements of the Corporation shall not exceed 10% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; (c) the maximum number of Shares issuable to any person in any 12-month period pursuant to securities granted under any of the Corporation's security-based compensation arrangements, collectively, must not exceed 5% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; (d) the maximum number of Shares issuable to any one consultant in any 12-month period pursuant to securities granted under any of the Corporation's security-based compensation arrangements, collectively, must not exceed 2% of the aggregate number

of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; and (e) investor relations service providers are not eligible to receive RSUs or PSUs.

The PSU&RSU Plan is administered by the Board which has authority to delegate the administration and operation of the PSU&RSU Plan to a committee and to determine the terms and conditions of any grant of RSUs and PSUs.

Under the PSU&RSU Plan:

- settlement of a vested Unit will entitle the holder to receive a Common Share, either issued from treasury or purchased on the secondary market, or an amount of cash equal to the Market Value of a Common Share on the vesting date;
- all vested Units shall be settled within sixty (60) days of the vesting date, but in no event shall any Unit be settled later than December 31 of the fourth calendar year following the year in which the services giving rise to the award were rendered;
- the vesting of RSUs and PSUs will be prescribed by the Board at the time of grant in the applicable grant agreement, provided however that no RSUs or PSUs may vest before the date that is one year following the grant date;
- if a Unit settlement date falls on, or within nine business days immediately following a period in which the Company is in a black-out, then the settlement date will be automatically extended to the tenth business day following the date the relevant black-out period or other trading restriction imposed by the Company is lifted, terminated or removed;
- except as otherwise provided by the PSU&RSU Plan, upon the occurrence of a change of control, all unvested Units then outstanding will be substituted by or replaced with Units or similar awards of the surviving corporation or the potential successor on the same terms and conditions as the original Units (as adjusted for the change of control), and the vesting of RSUs and PSUs held by a holder who ceases to be an Eligible Person under the PSU&RSU Plan within 12 months of a change of control, due to termination without cause or resignation for good reason, will (in the Board's discretion) be accelerated in full; and
- unvested RSUs and PSUs held by a holder who: (i) retires, and in the Board's discretion held by a holder who ceases to be an eligible person under the PSU&RSU Plan due to disability, continue to vest and vested RSUs and PSUs may be settled in accordance with the PSU&RSU Plan and the applicable grant agreement; (ii) ceases to be an eligible person under the PSU&RSU Plan due to resignation or termination of employment without cause, and otherwise in the case of a holder who ceases to be an eligible person under the PSU&RSU Plan due to disability, immediately terminate and vested RSUs and PSUs may be settled on the earlier of the original expiry date and 180 days; (iii) ceases to be an eligible person as a result of death, vest in respect of unvested RSUs and PSUs in the year of death on a prorated basis (and all remaining unvested RSUs and PSUs immediately terminate) and vested RSUs and PSUs may be settled on the earlier of the original expiry date and 180 days; and (iv) ceases to be an eligible person due to termination of employment for cause, terminate (along with vested RSUs and PSUs) on the last date the holder was actually and actively employed with the Company; in all such cases, provided that all RSUs and PSUs shall expire within one year of the termination of the Participant, for any reason.

The PSU&RSU Plan includes provisions regarding adjustments to the amounts payable pursuant to Units to preclude dilution or enlargement of the benefits to participants in the event of any merger, amalgamation, arrangement, rights offering, subdivision, consolidation or reclassification of the Common Shares or other relevant change in the capitalization of the Company, or stock dividends or distributions (excluding dividends or distributions which may be paid in cash or in Common Shares at the option of the holder), or the exchange of Common Shares for other securities or property. Under the PSU&RSU Plan, RSUs and PSUs may not be transferred or assigned, other than by will or the laws of descent and distribution.

Subject to the applicable rules of the TSXV, the Board may from time to time, in its absolute discretion and without the approval of the shareholders, make the following amendments to the PSU&RSU Plan or any Unit:

- any amendment to the vesting provisions of the PSU&RSU Plan and any grant agreement;
- any amendment to the PSU&RSU Plan, any grant agreement or any Unit as necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the PSU&RSU Plan or the shareholders;
- any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of the PSU&RSU Plan, correct or supplement any provision of the PSU&RSU Plan that is inconsistent with any other provision of the PSU&RSU Plan, correct any grammatical or typographical errors or amend the definitions in the PSU&RSU Plan regarding administration of the PSU&RSU Plan;
- any amendment respecting the administration of the PSU&RSU Plan; and
- any other amendment that does not require the approval of shareholders under the PSU&RSU Plan.

Under the PSU&RSU Plan shareholder approval is required for the following amendments to the PSU&RSU Plan:

- any increase in the maximum number of Shares that may be issuable pursuant to Units granted under the PSU&RSU Plan;
- any cancellation and reissue of Units, or substitution of Units with cash or other awards on terms that are more favourable to the holders of Units, or extension of the expiry date of a Unit (except as otherwise provided by the PSU&RSU Plan);
- any amendment to the Insider Participation Limit;
- an amendment to any of the amending provisions of the PSU&RSU Plan;
- any change that would materially modify the eligibility requirements for participation in the PSU&RSU Plan, including any amendment to the definition of Eligible Persons relating to the grant of Units to non-employee directors of the Company; and
- an amendment that would permit Units to be transferable or assignable.

The Board may suspend or terminate the PSU&RSU Plan at any time, or from time to time amend or revise the terms of the PSU&RSU Plan or of any Unit granted under the PSU&RSU Plan and any grant agreement relating thereto, provided that except as otherwise provided in the PSU&RSU Plan no such suspension, termination, amendment or revision will be made: (a) except in compliance with applicable law and with the prior approval, if required, of the TSXV or any other regulatory body having authority over the Company, the PSU&RSU Plan or the shareholders; and (b) in the case of an amendment or revision to the PSU&RSU Plan or any grant agreement, if it would materially adversely affect the rights of any participant, without the consent of the participant.

There is a maximum of Common Shares that may be issued under the PSU&RSU Plan and all other security-based compensation arrangements (being the Option Plan and Deferred Share Unit Plan), representing 10% of the number of issued and outstanding Common Shares on that date. As at April 30, 2024,

Questor had security-based compensation awards outstanding under the combined plans to acquire up to 726,108 Common Shares, representing in aggregate 3% of the outstanding Shares.

If shareholders approve the PSU&RSU Plan at the Meeting, an aggregate of 1,927,491 awards (being any combination of DSUs, PSUs, RSUs and Options), or 7% of the currently issued and outstanding Shares, will be available for future issuance under the PSU&RSU Plan, the Deferred Share Unit Plan and the Option Plan combined.

In accordance with the Policy 4.4 of the TSXV, a listed company on the TSXV is required to obtain the approval of shareholders and the TSXV for a "rolling" PSU&RSU Plan annually. Accordingly, at the Meeting, Shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution re-approving the PSU&RSU Plan. The TSXV has conditionally approved the PSU&RSU Plan, subject to the approval of the Shareholders at the Meeting.

Approval Required

At the Meeting, Shareholders will be asked to approve the following by ordinary resolution:

"BE IT RESOLVED, as an ordinary resolution of the holders of voting common shares in the capital of Questor Technology Inc. (the "Corporation"), that:

2. any one director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under seal of the Corporation or otherwise) that may be necessary or desirable to give effect to these resolutions.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the common shares represented by such form of proxy FOR the approval of the Performance Share Unit and Restricted Share Unit Plan.

Approval of the Deferred Share Unit Plan

At the Meeting, Shareholders will be asked to reapprove the Corporation's Deferred Share Unit Plan (the "DSU Plan") by ordinary resolution. The DSU Plan, approved by the Board and the shareholders effective May 6, 2022, is attached hereto as Schedule "F".

The DSU Plan provides for grants of DSUs to Eligible Directors (defined under the DSU Plan to be a director of the Corporation other than a director who is a full-time employee of the Corporation). The purpose of the DSU Plan is to advance the interests of the Company by: (i) providing Eligible Directors with the opportunity to acquire DSUs of the Corporation in order to allow them to participate in the long-term success of the Corporation and (ii) to promote a greater alignment of their interests with the interests of the Corporation's Shareholders.

The maximum number of Common Shares reserved for issuance, in the aggregate, under the DSU Plan and all other security-based compensation arrangements of the Company (being the Option Plan and PSU&RSU Plan), is 10% of the aggregate number of outstanding Shares from time to time (calculated on a non-diluted basis). In addition: (a) the maximum number of Shares issuable to insiders and their associates at any time under all security-based compensation arrangements of the Corporation shall not exceed 10% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; (b) the maximum number of Shares that may be issued to insiders and their associates within any one year period under all security-based compensation arrangements of the Corporation shall not exceed 10% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; (c) the maximum number of Shares issuable to any person in any 12-month period pursuant to securities granted under any of the Corporation's security-based compensation arrangements, collectively, must not exceed 5% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; (d) the maximum number of Shares issuable to any one consultant in any 12-month period pursuant to securities granted under any of the Corporation's security-based compensation arrangements, collectively, must not exceed 2% of the aggregate number of issued and outstanding Shares from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval; and (e) investor relations service providers are not eligible to receive DSUs.

The DSU Plan is administered by the Board which has authority to delegate the administration and operation of the DSU Plan to a committee and to determine the terms and conditions of any grant of DSUs. Under the DSU Plan:

- DSUs shall not vest earlier than the date that is one year following the date DSUs are granted, but are not settled until the eligible director resigns, is terminated or dies;
- settlement of a DSU will entitle the holder to receive a Common Share, either issued from treasury or purchased on the secondary market, or an amount of cash equal to the Market Value of a Common Share on the redemption date;
- if a DSU settlement date falls in a period in which the Company is in a black-out, then the settlement date will be automatically extended to the third business day following the date the relevant black-out period or other trading restriction imposed by the Company is lifted, terminated or removed.

Subject to the applicable rules of the TSXV, the Board may from time to time, in its absolute discretion and without the approval of the shareholders, make the following amendments to the DSU Plan or any DSU:

- any amendment to the vesting provisions of the DSU Plan and any grant agreement;
- any amendment to the DSU Plan, any grant agreement or any DSU as necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the DSU Plan or the shareholders;
- any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of the DSU Plan, correct or supplement any provision of the DSU Plan that is inconsistent with any other provision of the DSU Plan, correct any grammatical or typographical errors or amend the definitions in the DSU Plan regarding administration of the DSU Plan;
- any amendment respecting the administration of the Plan; and

- any other amendment that does not require the approval of shareholders under the Plan.

Under the DSU Plan shareholder approval is required for the following amendments to the Plan:

- any increase in the maximum number of Shares that may be issuable pursuant to DSUs granted under the DSU Plan;
- any cancellation and reissue of DSUs, or substitution of DSUs with cash or other awards on terms that are more favourable to the holders of DSUs;
- any amendment to the Insider Participation Limit as set out in the DSU Plan;
- any change that would materially modify the eligibility requirements for participation in the DSU Plan; and
- an amendment that would permit DSU to be transferable or assignable.

The Board may suspend or terminate the DSU Plan at any time, or from time to time amend or revise the terms of the DSU Plan or of any DSU granted under the Plan and any grant agreement relating thereto, provided that except as otherwise provided in the DSU Plan no such suspension, termination, amendment or revision will be made: (a) except in compliance with applicable law and with the prior approval, if required, of the TSXV or any other regulatory body having authority over the Company, the DSU Plan or the shareholders; and (b) in the case of an amendment or revision to the DSU Plan or any grant agreement, if it would materially adversely affect the rights of any participant, without the consent of the participant.

There is a maximum of Common Shares that may be issued under the DSU Plan and all other security-based compensation arrangements (being the Option Plan and Deferred Share Unit Plan), representing 10% of the number of issued and outstanding Common Shares on that date. As at April 30, 2024, Questor had security-based compensation awards outstanding under the combined plans to acquire up to 726,108 Common Shares, representing in aggregate 3% of the outstanding Shares.

If shareholders approve the PSU&RSU Plan at the Meeting, an aggregate of 1,927,491 awards (being any combination of DSUs, PSUs, RSUs and Options), or 7% of the currently issued and outstanding Shares, will be available for future issuance under the PSU&RSU Plan, the Deferred Share Unit Plan and the Option Plan combined.

In accordance with the Policy 4.4 of the TSXV, a listed company on the TSXV is required to obtain the approval of shareholders and the TSXV for a "rolling" DSU Plan annually.

Approval Required

At the Meeting, Shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED that:

- long-term strategic planning;
- risk analysis and monitoring of risk management systems;

Board Committees

The Board of Directors has established three committees:

Audit Committee

The Board of Directors has developed a written charter that sets out the mandate and responsibilities of the Audit Committee. See Schedule "B" to this Information Circular for the text of this charter. The Committee currently consists of Paul Huizinga, Bastien Commet, Audrey Mascarenhas. Majority of the members of the Audit Committee are independent and financially literate within the meaning of NI 52-110 and as further disclosed in Schedule "C" to this Information Circular. Paul Huizinga is the Chair of the Committee.

Health, Safety and Environment Committee

Effective November 2023, Safety and Environment Committee has been dissolved and health, safety and environmental issues are dealt with at the Board of Directors level.

Governance and Compensation Committee

The Governance and Compensation Committee assists the Board in discharging its oversight responsibilities relating to the compensation and retention of key senior management employees with the necessary skills and expertise needed to enable the Corporation to achieve its long-term strategic goals and objectives. Specifically, the Committee reviews the competitiveness of the Corporation's compensation programs and approves compensation recommendations in respect of the named Executive Officers.

The Committee is also responsible for identifying, evaluating and nominating candidates for election to the Board of Directors. The Committee currently consists of David Stam, Normand Brais and Audrey Mascarenhas. Normand Brais is an independent director and is the Chair of the Committee.

DIRECTOR COMPENSATION

The Board of Directors, through our Governance and Compensation Committee, is responsible for the development and implementation of a compensation plan for the Directors who are not also Officers (Independent Directors). The Officers, who are also Directors, are not paid any additional compensation for acting as a Director. For information concerning the compensation paid to Mrs. Mascarenhas who is also the President and Chief Executive Officer, see "Executive Compensation".

Up until November 2023, Independent Directors were entitled to an annual retainer commensurate with their capacity as a Director and for their committee participation of \$30,000 and to a fee of \$750 for each Board or Committee meeting they attend. Each Director had an option to elect at the start of the year to be paid these amounts in Deferred Share Units instead of cash. Effective November 10, 2023, the Board approved a change to the Director

compensation structure such that each independent board member will receive deferred share units valued at \$35,000 which vest in one year, as their annual compensation. Directors are reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as Directors.

Security-based compensation awards are granted on a discretionary basis, based on the Board and the Compensation Committee's assessments of responsibilities, recognizing that Security-based compensation awards can help preserve cash. Generally, the number of awards granted to any Director is a function of the responsibility of the Director and the contribution of the Director to the business and affairs of the Corporation and such other factors as the Compensation Committee may consider relevant.

EXECUTIVE COMPENSATION

The Corporation compensates its executive officers through a combination of base salary, bonuses and share-based compensation. The base salary provides an immediate cash incentive for the executive officers. Performance bonuses encourage and reward exceptional performance over the financial year. Share-based awards are anticipated to motivate executive officers to achieve long-term growth of the Corporation and continuing increases in shareholder value.

Base salaries are based on a number of factors and designed to best position the Corporation to compete for and retain executives critical to the Corporation's long-term success. Performance bonuses (in the form of cash bonuses) are directly tied to corporate and individual performance. Long-term

incentive awards consist of stock options, performance share units and restricted share units and are designed to align the interests of executive officers with the longer-term interests of shareholders.

As an executive officer's level of responsibility increases, it is anticipated that a greater percentage of total compensation will be based on performance (as opposed to base salary and standard employee benefits) and the mix of total compensation will shift towards annual bonuses and share-based compensation, thereby further aligning the interests of executive officers and shareholders.

Base Salary

Base salary of the President and Chief Executive Officer is set by the Board of Directors on the basis of that individual's responsibilities, experience and past performance. In establishing base salaries, the Governance and Compensation Committee considers factors such as experience, individual performance, length of service, contribution towards the achievement of corporate objectives and positive financial results, stock price, and compensation compared to other employment opportunities for executives. In determining base salary, the Governance and Compensation Committee also reviews available market data for other comparable companies.

Annual Incentive Plan

An annual performance bonus may be paid for each fiscal year based on the Board's assessment of the Corporation's general performance and the relative contribution of the Executive Officer. Bonuses are related to personal and corporate performance and may form a greater or lesser part of the entire compensation package in any given year.

Share-based Compensation

Share-based compensation awards are granted on a discretionary basis, based on the Board and the Compensation Committee's assessments of responsibilities and achievements, recognizing that share-based awards can help preserve cash sources. Generally, the number of share-based awards granted to any executive officer is a function of the level of authority and responsibility of the executive officer, the contribution of the executive officer to the business and affairs of the Corporation, the number of share-based awards the Corporation has already granted to the executive officer, and such other factors as the Compensation Committee may consider relevant.

Summary Compensation Table

The following table sets forth, for the periods indicated, the compensation paid by the Corporation to the President and Chief Executive Officer, Chief Financial Officer and Corporate Secretary and Vice President Operations and Customer Experience, who are the only Named Executive Officers (NEOs) of the Corporation within the meaning of NI 51-102F6.

- (b) The aggregate number of Shares reserved for issuance under this Plan, and under all other Security Based Compensation Arrangements of the Corporation, shall not exceed 10% of the Outstanding Common Shares of the Corporation from time to time unless the Corporation receives the permission of the Exchange or exchanges on which the Shares are listed to exceed such threshold and any requisite shareholder approval.
- (c) The number of Shares that may be acquired under an Option granted to a Participant shall be determined by the Board as at the time the Option is granted, provided that the aggregate number of Shares reserved for issuance to any one Participant under this Plan or any other plan of the Corporation, shall not exceed:

- (d) If any Option granted under this Plan shall expire or terminate for any reason without having been exercised in full, any unpurchased Shares to which such Option relates shall be available for the purposes of the granting of Options under this Plan.

8. Maintenance of Sufficient Capital

The Corporation shall at all times during the term of this Plan ensure that the number of Shares it is authorized to issue shall be sufficient to satisfy the requirements of this Plan.

9. Exercise Price

The exercise price to each Participant for each Option shall be as determined by the Board, but shall in no event be less than the Market Price (as hereinafter defined) less the maximum discount permitted under the regulations of the Exchange or such other price as may be agreed to by the Corporation and approved by the Exchange. In the event that the Corporation proposes to reduce the exercise price or extend the term of options granted to a Participant who is an Insider of the Corporation at the time of the proposed amendment, such amendment shall not be effective until disinterested shareholder approval has been obtained in respect of the reduction of the exercise price if required by the rules and policies of the Exchange then in effect.

For purpose of this Plan, the "**Market Price**" at any date in respect of the Shares shall mean:

- (a) the closing price of such Shares on a stock exchange on which the Shares are listed and posted for trading or a quotation system for a published market (the "**Market**") upon which the price of the Shares is quoted, as may be selected for such purpose by the Board, on the last trading day prior to the date the Option is granted; or

- (d) in the event that such Shares are not listed and posted for trading or quoted on any Market, the Market Price shall be the fair market value of such Shares as determined by the Board in its sole discretion.

10. Term

Subject to any resolution passed by the Board or any applicable securities laws or regulations, an Option shall vest and may be exercised as follows:

- (a) all Options granted shall be exercisable for a period ("**Option Period**") as determined by the Board but in any event, not exceeding ten (10) years from the date the Option is granted;
- (b) an Option may be exercised by the Participant as to such varying percentages, on a cumulative basis, during the terms thereof as the Board shall determine;
- (c) the Option Period shall be automatically reduced or vested in accordance with Sections 12 and 13 below upon the occurrence of any of the certain specified events referred to therein, but in any event Options issued to Consultants performing Investor Relations Activities must vest in stages over twelve (12) months with no more than one quarter of such Options vesting in any three (3) month period; and
- (d) no Option in respect of which shareholder approval is required under the rules of the Exchange shall be exercisable until such time as the Option has been approved by the shareholders of the Corporation.

11. Method of Exercise of Option

- (a) Except as set forth in Sections 12 and 13 below, no Option may be exercised unless the holder of such Option is, at the time the Option is exercised, a Director, Employee or Consultant of the Corporation or a corporation wholly owned by the Corporation;
- (b) Options may be exercised in whole or in part;
- (c) Any Participant (or his legal, personal representative) wishing to exercise an Option shall deliver to the Corporation, at its principal office in the City of Calgary, Alberta:
 - (i) a written notice expressing the intention of such Participant (or his legal, personal representative) to exercise his Option and specifying the number of Shares in respect of which the Option is exercised;
 - (ii) a cash payment, certified cheque or bank draft, representing the full purchase price of the Shares in respect of which the Option is exercised; and
 - (iii) if required, a cash payment, certified cheque or bank draft, representing the provincial and/or federal payroll Questor withholding taxes and premiums under the *Income Tax Act (Canada)*, *Canada Pension Plan Act (Canada)* and the *Employment Insurance Act (Canada)* (or any applicable provincial or federal statutes) with respect to the taxable portion of the benefit realized upon exercise of the Options or an authorization signed by the Participant for the Corporation to sell that number of Shares at the time of exercise of the Options and retain a sufficient amount of proceeds from the sale required to satisfy the payroll Questor withholding and remittance obligations of the Corporation.

Upon the exercise of an Option as aforesaid, the Corporation shall forthwith deliver, or cause the registrar and transfer agent of the Shares to deliver, to the relevant Participant (or his legal, personal representative) or to the order thereof, a certificate representing the aggregate number of fully paid and non-assessable Shares as the Participant (or his legal, personal representative) shall have then paid for less any Shares authorized by the Participant for the Corporation to sell to satisfy the payroll Questor withholding and remittance obligations of the Corporation.

12. Expiry of Options

- (a) **Normal Expiry** – Subject to paragraphs (b), (c), (d) and (e) hereof, options granted under the Plan shall expire on the date provided for in the respective Option Agreement or on such later date as may be permitted by the Board, which shall be no later than the tenth anniversary of the date on which any such Option is granted.
- (b) **Retirement or Disability** – Subject to paragraph (c) hereof, in the event of the termination of employment or of a consulting agreement of a Participant with the Corporation or any of its subsidiaries due to normal retirement in accordance with the policies of the Corporation or the respective subsidiary, as the case may be, or due to permanent disability of the Participant (as determined by the board), the Participant may

exercise such part of the Option as is exercisable immediately prior to the time of such termination within a period of thirty (30) days following such termination in the case of a Participant who is engaged in Investor Relations Activities and ceases to be employed to provide Investor Relations Activities and within a period of ninety (90) days following such termination in every other case but in no event later than the normal expiry date of the Option and not for more than the number of Options for which the Participant could have exercised any such Option immediately prior to retirement or disability and any such Option not fully exercised at the end of such period shall then terminate.

- (c) **Death of Participant** – In the event of the death of any Participant prior to the expiry of outstanding Options, the executors or personal representatives of the Participants shall have the right to exercise any such Option for a period of up to one (1) year of the Participant's death, but in no event later than the normal expiry date of the Option and for not more than the number of Options for which the Participant could have exercised any such Option immediately prior to the Participant's death, and any such Option not fully exercised at the end of such one year period shall then terminate.
- (d) **Resignation or Termination not for Cause** – Subject to paragraph (e) hereof, in the event of the resignation of a Participant from, the termination of employment of a Participant with, or the removal or resignation of a Participant who is a Director, Employee or Consultant of the Corporation or any of its subsidiaries prior to the expiry of all outstanding Options granted to such participant, the Participant shall have the right to exercise any such Options within a period of thirty (30) days following the effective date of such resignation in the case of Participant who is engaged in Investor Relations Activities and ceases to be employed to provide Investor Relations Activities and within a period of ninety (90) days following the effective date of such resignation or termination in every other case but in no event later than the normal expiry date of the Options and not for more than the number of Options for which the Participant could have exercised any such Option immediately prior to such resignation or termination and any such Option not fully exercised at the end of such period shall then terminate.
- (e) **Termination for Cause** – If a Participant is dismissed or terminated as a Director, Employee or Consultant of the Corporation or any of its subsidiaries for cause, all unexercised Options of the Participant under the Plan shall immediately terminate forthwith without further notice to the Participant, notwithstanding the original term or vesting of the Options granted to such Participant under the plan or Option Agreement.

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall (i) confer upon such Participant any right to continue as a Director, Employee or Consultant of the Corporation or any of its subsidiaries, as the case may be, or (ii) be construed as a guarantee that the Participant will continue as a Director, Employee or Consultant of the Corporation or any of its subsidiaries, as the case may be.

13. Change of Control

Notwithstanding the provisions of Section 10 or any vesting restrictions otherwise applicable to the relevant Options, in the event of a change of control of the Corporation, the right of a Participant to exercise his Options granted to him shall be accelerated so that such Option may be exercised, in whole or in part, with respect to all Shares optioned to the Participant (including those for which the option is not yet exercisable) at any time during the fifteen (15) day period prior to the date upon which the change of control occurs.

In the event of a change of control, notwithstanding Section 11, the Board or the board of directors of any successor corporation or entity may, in its discretion, as to the outstanding Options:

- (a) provide for payment of an amount equal to the excess of the price of the Shares, as determined under the transaction causing the change of control or if no price is determinable, as determined by the Board, over the exercise price of such Shares as of the date of the change of control, in exchange for the surrender of the right to exercise such Options; or
- (b) provide for the assumption of such Options, or the substitution therefor of new options, by the successor corporation or entity.

For the purpose of this Plan, "change of control" of the Corporation means and shall be deemed to have occurred upon:

- (c) the acceptance by the holders of Shares of the Corporation, representing in the aggregate, more than 50 percent of all issued Shares of the Corporation, of any offer, whether by way of a takeover bid or otherwise, for all or any of the outstanding Shares of the Corporation; or
- (d) the acquisition, by whatever means, by a person (or two or more persons who, in such acquisition, have acted jointly or in concert or intend to exercise jointly or in concert any voting rights attaching to the Shares acquired), directly or indirectly, of beneficial ownership of such number of Shares or rights to Shares of the Corporation, which together with such person's then owned Shares and rights to Shares, if any, represent (assuming the full exercise of such rights to voting securities) more than fifty percent (50%) of the combined voting rights of the Corporation's then outstanding Shares;
- (e) the entering into of any agreement by the Corporation to merge, consolidate, amalgamate, initiate an arrangement or be absorbed by or into another corporation; or
- (f) the passing of a resolution by the Board or shareholders of the Corporation to substantially liquidate the assets or wind-up the Corporation's business or significantly rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding-up or re-arrangement (except where such re-arrangement is part of a *bona fide* reorganization of the Corporation in circumstances where the business of the Corporation is continued and where the shareholdings remain substantially the same following the re-arrangement).

14. Rights of Participants

No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until such Shares have been paid for in full and issued to such person.

15. Proceeds from Exercise of Options

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine and direct.

16. Adjustments

- (a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made changing the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share covered by the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent their dilution or enlargement.
- (b) Adjustments under this Section 16 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued under this Plan on any such adjustment.

17. Transferability

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of a Participant any Options granted hereunder may only be exercised by the Participant and in the event of the death or permanent disability of a Participant, by the person or persons to whom the Participant's rights under the Option pass by the Participant's will or applicable law.

18. Amendment and Termination of Plan

The Board may, at any time, suspend or terminate this Plan. The Board may also at any time amend or revise the terms of this Plan, subject to regulatory approval and, if deemed necessary or desirable by the Board, shareholder approval.

19. Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with this Plan is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If Shares cannot be issued to a Participant upon the exercise of an Option for any reason whatsoever, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the relevant Participant as soon as practicable.

20. Exchange Rules

This Plan and any option agreements entered into hereunder shall comply with the requirements of the Exchange or exchanges on which the Shares are listed, and, in the event of any inconsistency between the terms and conditions of the Plan and the rules and regulations of any such exchange, the rules and regulations of such exchange shall prevail.

21. No Representation or Warranty

The Company makes no representation or warranty as to the future market value of Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Shares issuable thereunder or the tax consequences to a Participant. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of each Participant and not the Corporation.

22. Gender

Whenever used herein words importing the masculine gender shall include the feminine and neuter genders and vice versa.

23. Interpretation

This Plan will be governed by and construed in accordance with the laws of the Province of Alberta.

- (3) No member of the Board will be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of this Plan, any Grant Agreement or any Restricted Share Units or Performance Share Units granted pursuant to this Plan.
- (4) For Units granted to Employees, Consultants or Management Company Employees (each as defined in Policy 4.4 of the Stock Exchange), the Corporation represents that the Participant is a *bona fide* Employee, Consultant or Management Company Employee as the case may be.

3.2 Delegation to Committee

Despite Section 3.1 or any other provision contained in this Plan, the Board has the right to delegate the administration and operation of this Plan, in whole or in part, to a committee of the Board. In such circumstances, all references to the Board in this Plan include reference to such committee.

3.3 Shares Reserved

- (1) Subject to Section 3.3(3), the securities that may be acquired by Participants under this Plan will consist of authorized but unissued Shares.
- (2) The Corporation will at all times during the term of this Plan ensure that it is authorized to issue such number of Shares as are sufficient to satisfy the requirements of this Plan.
- (3) The aggregate number of Shares reserved under this Plan, and under all other Security Based Compensation Arrangements of the Corporation must not exceed 10% of the total number of Shares issued and outstanding from time to time (calculated on a non-diluted basis). Any Shares subject to a Unit which has been settled or for any reason is cancelled or terminated without having been settled, will again be available for grants under this Plan, and under all other Security Based Compensation Arrangements of the Corporation. Fractional shares will not be issued and will be treated as specified in Section 3.8(3).
- (4) If there is a change in or exchange of the issued and outstanding Shares by reason of any stock dividend or split, recapitalization, amalgamation, arrangement, merger, take-over bid, compulsory acquisition, consolidation, combination or exchange of shares, or other corporate change, the Board may, subject to the prior approval of the Stock Exchange if required pursuant to the applicable rules thereof, make appropriate substitution or adjustment in its sole discretion in:
 - (a) the number or kind of securities of the Corporation (including Shares) reserved for issuance pursuant to this Plan (which may be replaced by cash or other property); and
 - (b) the number and kind of securities of the Corporation (including Shares) subject to unsettled Units granted prior to such change (which may be replaced by cash or other property), without any change in the total price applicable to the unsettled portion of the Unit but with a corresponding adjustment in the price for each Share covered by the Unit; provided, however, that no substitution or adjustment will obligate the Corporation to issue or sell fractional Shares.

3.4 Share Limits

- (1) The maximum number of Shares:
 - (a) issuable to Eligible Persons who are Insiders and their Associates at any time pursuant to the settlement of Units granted under this Plan and securities granted under any other Security Based Compensation Arrangement, collectively, must not exceed 10% of the aggregate number of Shares issued and outstanding at any point in time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval;
 - (b) that may be issued to Eligible Persons who are Insiders and their Associates within any one-year period pursuant to the settlement of Units granted under this Plan and securities granted under any other Security Based Compensation Arrangement, collectively, must not exceed 10% of the aggregate number of Shares issued and outstanding from time to time (calculated on a non-diluted basis), unless the Corporation has obtained the requisite disinterested Shareholder approval;

- (c) issuable to any one Person in any 12-month period pursuant to the settlement of Units granted under this Plan and securities granted under any other Security Based Compensation Arrangement, collectively, must not exceed 5% of the aggregate number of Shares issued and outstanding (calculated on a non-diluted basis), calculated as at the date any security-based compensation is granted or issued to the Person, unless the Corporation has obtained the requisite disinterested Shareholder approval;
- (d) issuable to any one consultant in any 12-month period pursuant to securities granted under all Security Based Compensation Arrangements, collectively, must not exceed 2% of the aggregate number of shares issued and outstanding (calculated on a non-diluted basis), calculated as at the date any security-based compensation is granted or issued to the consultant; and
- (e) investor relations service providers may not receive any security-based compensation other than stock options.

3.5 Amendment and Termination

- (1) The Board may suspend or terminate this Plan at any time, or from time to time amend or revise the terms of this Plan or of any Unit granted under this Plan and any Grant Agreement relating thereto, provided that except as otherwise provided herein no such suspension, termination, amendment or revision will be made:
 - (a) except in compliance with applicable law and with the prior approval, if required, of the Stock Exchange or any other regulatory body having authority over the Corporation, this Plan or the Shareholders; and
 - (b) in the case of an amendment or revision to this Plan or any Grant Agreement, if it would materially adversely affect the rights of any Participant, without the consent of the Participant.

For greater certainty, no such amendment or revision shall be made to this Plan that results in this Plan, Restricted Share Units or Performance Share Units to be considered a "salary deferral arrangement" as defined in subsection 248(1) of the ITA (or any successor provision).
- (2) If this Plan is terminated, the provisions of this Plan and any administrative guidelines and other rules and regulations adopted by the Board and in force on the date of termination will continue in effect as long as any Unit or any rights granted pursuant to this Plan remain outstanding and, despite the termination of this Plan, the Board may make such amendments to this Plan or to the terms of any outstanding Units as they would have been entitled to make if this Plan were still in effect.
- (3) Subject to any applicable rules of the Stock Exchange and Section 3.5(4), the Board may from time to time, in its absolute discretion and without the approval of Shareholders, make the following amendments to this Plan or any Unit:
 - (a) any amendment to the vesting provisions of this Plan and any Grant Agreement;
 - (b) any amendment to this Plan, any Grant Agreement or any Unit as necessary to comply with applicable law or the requirements of the Stock Exchange or any other regulatory body having authority over the Corporation, this Plan or the Shareholders;
 - (c) any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of this Plan, correct or supplement any provision of this Plan that is inconsistent with any other provision of this Plan, correct any grammatical or typographical errors or amend the definitions in this Plan regarding administration of this Plan;
 - (d) any amendment respecting the administration of this Plan; and
 - (e) any other amendment that does not require the approval of Shareholders under Section 3.5(4).
- (4) Shareholder approval is required for the following amendments to this Plan:
 - (a) any increase in the maximum number of Shares that may be issuable pursuant to Units granted under this Plan as set out in Section 3.3(3);
 - (b) any cancellation and reissue of Units, or substitution of Units with cash or other awards on terms that are more favourable to the holders of Units, or extension of the date a Unit Expires;
 - (c) any amendment to the Insider participation limit set out in Section 3.4;
 - (d) any amendment to Section 3.5(3) or (4);
 - (e) any change that would materially modify the eligibility requirements for participation in this Plan;
 - (f) any amendment to the definition of Eligible Persons relating to the grant of Units to non-employee directors of the Corporation; and
 - (g) any amendment to Section 3.10.

3.6 Compliance with Legislation

- (1) This Plan, the terms of the issue or grant of, and the grant of, any Units under this Plan, and the Corporation's obligation to deliver a payment or issue Shares, is subject to all applicable federal, provincial and foreign laws, rules and regulations, the rules and regulations of the Stock Exchange and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Corporation, be required. The Corporation is not obliged by any provision of this Plan or the grant of any Unit under this Plan to issue Shares if, in the opinion of the Board, such action would constitute a violation by the Corporation or a Participant of any laws, rules and regulations or any condition of such approvals. Further, the Corporation may, without amending this Plan, modify the terms of Units granted to Participants who are foreign nationals or who provide services to the Corporation or any Affiliate from outside of Canada in order to comply with the applicable laws of such foreign jurisdictions, with such modification to this Plan with respect to a particular Participant to be reflected in the Grant Agreement for such Service Provider, all as may be determined by the Board in its discretion.
- (2) The Participant agrees to fully cooperate with the Corporation in doing all such things, including executing and delivering all such agreements, undertakings or other documents or furnishing all such information as is reasonably necessary to facilitate compliance by the Corporation with such laws, rule and requirements, including all tax withholding and remittance obligations.
- (3) No Unit shall be granted and no Shares issued under this Plan, where such grant or issue would require registration of this Plan or of Shares under the securities laws of any foreign jurisdiction, and any purported grant of any Unit or purported issue of Shares under this Plan in violation of this provision is void.
- (4) The Corporation has no obligation to issue any Shares pursuant to this Plan unless such Shares have been duly listed, upon official notice of issuance, with (or conditional ground for listing by) the Stock Exchange. Shares issued to Participants pursuant to the settlement of Units may be subject to limitations on sale or resale under applicable securities laws.
- (5) If Shares cannot be issued to a Participant upon the settlement of a Unit due to legal or regulatory restrictions, the obligation of the Corporation to issue such Shares will terminate. For greater certainty, where the obligation of the Corporation to issue Shares terminates pursuant to this Section 3.6(5) the Board in its discretion will consider a suitable alternative compensation arrangement having regard to the particular affected Participant.

3.7 Tax Withholdings

- (1) Despite any other provision contained in this Plan, in connection with the settlement of a Unit from time to time, the Corporation may withhold from any amount payable to a Participant, including the issuance of Shares to a Participant upon the settlement of such Participant's Units, such amounts as are required by law to be withheld or deducted as a consequence of the settlement of Units or other participation in this Plan ("Withholding Obligations"). The Corporation has the right, in its sole discretion, to satisfy any Withholding Obligations by:
 - (a) selling or causing to be sold through a broker, on behalf of any Participant, such number of Shares issued to the Participant on the settlement of Units as is sufficient to fund the Withholding Obligations;
 - (b) retaining the amount necessary to satisfy the Withholding Obligations from any amount which would otherwise be delivered, provided or paid to the Participant by the Corporation, whether under this Plan or otherwise;
 - (c) requiring the Participant to (i) remit the amount of any such Withholding Obligations to the Corporation in advance; (ii) reimburse the Corporation for any such Withholding Obligations; or (iii) cause a broker who sells Shares acquired by the Participant on behalf of the Participant to withhold from the proceeds realized from such sale the amount required to satisfy any such Withholding Obligation and to remit such amount directly to the Corporation; and/or
 - (d) making such other arrangements as the Corporation may reasonably require, provided that, for greater certainty, no determination by the Corporation in respect of any of the foregoing shall be made during a Black-Out Period.
- (2) The sale of Shares by the Corporation, or by a broker engaged by the Corporation (the "Broker") for the purposes of selling Shares on behalf of Participant, will be made on the Stock Exchange; provided that, for greater certainty, no such sale of Shares shall be made during a Black-Out Period. The Participant consents to such sale and grants to the Corporation an irrevocable power of attorney to effect the sale of such Shares on his behalf and acknowledges and agrees that: (i) the number of Shares sold will be, at a minimum, sufficient to fund the Withholding Obligations net of all selling costs, which costs are the responsibility of the Participant and which the Participant hereby authorizes to be deducted from the proceeds of such sale; (ii) in effecting the sale of any such Shares, the Corporation or the Broker will exercise its sole judgment as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; and (iii) neither the Corporation nor the Broker will be liable for any loss arising out of such sale of the Shares including any loss relating to the pricing, manner or timing of the sales or any delay in transferring any Shares to a Participant or otherwise.
- (3) The Participant further acknowledges that the sale price of the Shares will fluctuate with the market price of the Shares and no assurance can be given that any particular price will be received upon any sale.

3.8 Miscellaneous

- (1) Nothing contained in this Plan will prevent the Board from adopting other or additional Security Based Compensation Arrangements or compensation arrangements, subject to any required approval.
- (2) This Plan does not grant any Participant or any employee of the Corporation or its Affiliates the right or obligation to serve or continue to serve as an officer or employee, as the case may be, of the Corporation or its Affiliates. The awarding of Units to any Eligible Person is a matter to be determined solely in the discretion of the Board. This Plan will not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Shares or any other securities in the capital of the Corporation other than as specifically provided for in this Plan. The grant of a Unit to, or the settlement of a Unit by, a Participant under this Plan does not create the right for such Participant to receive additional grants of Units under this Plan.
- (3) No fractional Shares will be issued upon the settlement of Units granted under this Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the settlement of a Unit, or from an adjustment pursuant to Section 3.3(4), such Participant will only have the right to receive the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.
- (4) The Corporation makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting the Participant resulting from the grant or settlement of a Unit and/or transactions in the Shares. The Corporation does not assume responsibility for the income or other tax consequences resulting to the Participant and they are advised to consult with their own tax advisors.
- (5) Neither the Corporation, nor any of its directors, officers, employees, Shareholders or agents will be liable for anything done or omitted to be done by such person or any other person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares under this Plan, with respect to any fluctuations in the market price of Shares or in any other manner related to this Plan.
- (6) The Board may adopt such rules or regulations and vary the terms of this Plan and any Unit issued in accordance with this Plan as it considers necessary to address tax or other requirements of any applicable non-Canadian jurisdiction.
- (7) Participants (and their legal personal representatives) have no legal or equitable rights, claims, or interest in any specific property or assets of the Corporation or any Affiliate. No assets of the Corporation or any Affiliate will be held in any way as collateral security for the fulfillment of the obligations of the Corporation or any Affiliate under this Plan. Any and all of the Corporation's or any Affiliate's assets are, and remain, the general unpledged, unrestricted assets of the Corporation or Affiliate. The Corporation's or any Affiliate's obligation under this Plan are merely that of an unfunded and unsecured promise of the Corporation or such Affiliate to pay money in the future, and the rights of Participants (and their legal personal representatives) are no greater than those of unsecured general creditors.
- (8) Subject to any required approval by the Stock Exchange or regulatory authority, in the case of any merger, amalgamation, arrangement, rights offering, subdivision, consolidation, or reclassification of the Shares or other relevant change in the capitalization of the Corporation, or stock dividend or distribution (excluding dividends or distributions which may be paid in cash or in Shares at the option of the Shareholder), or exchange of the Shares for other securities or property, the Corporation shall make appropriate adjustments in the amounts payable, as the case may be, as determined as appropriate by the Board, to preclude a dilution or enlargement of the benefits hereunder, and any such adjustment (or non-adjustment) by the Corporation shall be conclusive, final and binding upon the Participants. For greater certainty, no amount will be paid to, or in respect of, a Participant under this Plan or pursuant to any other arrangement, and no additional Units will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (9) No interest or other amounts shall accrue to the Participant in respect of any amount payable by the Corporation to the Participant under this Plan or a Unit.
- (10) In the event that a Unit is granted or a Grant Agreement is executed which does not conform in all particulars with the provisions of this Plan, or purports to grant Units on terms different from those permitted under this Plan, the Unit, or the grant of such Unit, to the extent possible shall not be in any way void or invalidated, but the Unit so granted will be adjusted to become, in all respects, conforming with this Plan.
- (11) Upon settlement of Units, the Units settled shall be cancelled and no further payments shall be made from the Plan in relation to such Units.
- (12) This Plan is governed by the laws of the Province of Alberta and the federal laws of Canada applicable therein.

Section 3.9 Dividend Equivalents

Subject to the limits set forth in Section 3.4, in the event a dividend becomes payable on the Shares, then on the payment date for such dividend, each Participant's notional account shall, unless otherwise determined by the Board in respect of any grant of Units, be credited with additional Units (including fractional Units) of the same kind as credited in such Participant's applicable notional account, the number of which shall be determined by dividing: (i) the amount determining by multiplying (a) the number of Units in such Participant's notional account (whether vested or unvested) on the record date for the payment of such dividend by (b) the dividend paid per Share, by (ii) the Market Value of a Share on the dividend payment date for such dividend, in each case, with fractions computed to two decimal places. Such additional Units (including fractional Units), if credited, shall vest on the same basis as the underlying Units. In the event that the Corporation does not have a sufficient number of Shares available to grant DSUs in lieu of payment of dividends (taking into account the limits set forth in Section 3.4), the Corporation shall pay such dividend in cash.

3.10 Transfer and Assignment

Units are not transferable or assignable by a Participant otherwise than by will or the laws of descent and distribution and will be settled only by a Participant during the lifetime of the Participant and, subject to Section 4.4(1)(d) and Section 5.4(1)(d), as applicable, after death only by the Participant's legal representative.

3.11 Notice

Any notice required to be given by this Plan must be in writing and be given by registered mail, prepaid postage, or delivered by courier or by facsimile transmission addressed, if to the Corporation, to the office of the Corporation; or if to a Participant, to such Participant at his address as it appears on the books of the Corporation or in the event of the address of any such Participant not so appearing, then to the last known address of such Participant; or if to any other person, to the last known address of such person.

3.12 Clawback Policy

The Corporation has adopted a clawback policy, as amended from time to time, specifying the consequences with respect to incentive awards in the event of gross negligence, fraud or willful misconduct resulting in a restatement of the Corporation's financial statements. The clawback policy applies to any Units granted under this Plan.

3.13 Rights of Participants

No person entitled to settle any Unit granted under this Plan has any of the rights or privileges of a Shareholder in respect of any underlying Shares issuable upon settlement of such Unit until such Unit has been settled and such underlying Shares have been issued to such person. For greater certainty, nothing contained in this Plan nor in any Unit granted in accordance with this Plan is deemed to give any Participant any interest or title in or to any Shares or any other legal or equitable right against the Corporation or any of its Affiliates whatsoever other than as set forth in this Plan and pursuant to the settlement of any Unit.

3.14 Right to Issue Other Shares

The Corporation is not by virtue of this Plan restricted in any way from declaring and paying stock dividends, issuing further Shares, repurchasing Shares or varying or amending its share capital or corporate structure, in any way.

3.15 Quotation of Shares

So long as the Shares are listed on the Stock Exchange, the Corporation must apply to the Stock Exchange for the listing or quotation, as applicable, of the Shares that may be issued upon the settlement of Units granted under this Plan, however, the Corporation cannot guarantee that such Shares will be listed or quoted on the Stock Exchange.

RESTRICTED SHARE UNITS

4.1 Grant of Restricted Share Units

- (1) Subject to the provisions of this Plan, the Board may grant Restricted Share Units to any Eligible Person upon the terms, conditions and limitations set forth herein and such other terms, conditions and limitations permitted by and not inconsistent with this Plan as the Board may determine.
- (2) The grant of a Restricted Share Unit shall be evidenced by a Grant Agreement, signed on behalf of the Corporation.
- (3) The Corporation shall maintain a notional account for each RSU Participant, in which shall be recorded the number of vested and unvested Restricted Share Units granted or credited to such Participant.
- (4) The grant of a Restricted Share Unit to an RSU Participant, or the settlement of a Restricted Share Unit, under the Plan shall neither entitle such RSU Participant to receive nor preclude such RSU Participant from receiving subsequently granted Restricted Share Units

4.2 Vesting

The vesting provisions in respect of a grant of Restricted Share Units will be prescribed by the Board of Directors at the time of grant and be set forth in the respective RSU Participant's Grant Agreement, provided however that no Restricted Share Units shall vest before the date that is one year following the grant date.

4.3 Settlement of Restricted Share Units

- (1) Except as otherwise provided in an RSU Participant's Grant Agreement or any other provision of this Plan:
 - (a) Subject to Section 4.3(3), all vested Restricted Share Units covered by a particular grant and the related Restricted Share Units credited pursuant to Section 3.9, if any, shall be settled within sixty (60) days of their RSU Vesting Date (the "RSU Settlement Date"), but in no

event shall any Restricted Share Units be settled later than December 31 of the third calendar year following the year in which the services giving rise to the award were rendered;

- (b) settlement shall take the form of Shares issued from treasury or purchased on the secondary market in accordance with Section 4.3(1)(c) or a payment to be satisfied by the delivery by the Corporation of cash through its regular payroll practices, in each case as determined by the Board provided that, for greater certainty, no such determination shall be made during a Black-Out Period, to the RSU Participant of an amount equal to the Market Value of a Share on the RSU Vesting Date, multiplied by the number of vested Restricted Share Units to be settled on that RSU Settlement Date, the whole being subject to the terms of Section 3.7; and
 - (c) the Corporation may, in lieu of an issuance of Shares from treasury or a cash payment contemplated in Section 4.3(1)(b) above, on the RSU Settlement Date elect to, through a Broker, acquire on behalf of such Participant, the number of whole Shares that is equal to the number of whole Restricted Share Units to be settled on the RSU Settlement Date (less any amounts in respect of applicable Withholding Obligations); provided that no such election shall be made during a Black-out Period. If the Corporation elects to arrange for the purchase of Shares by a Broker on behalf of the Participant, the Corporation shall contribute to the Broker an amount of cash sufficient, together with any reasonable brokerage fees or commission fees related thereto, to purchase the whole number of Shares to which the Participant is entitled and the Broker shall purchase those Shares, on behalf of such Participant, on the Stock Exchange.
- (2) Following receipt of the Shares or payment as contemplated in subsection (1), the Restricted Share Units so settled shall be of no value whatsoever and shall be struck from the RSU Participant's notional account.
 - (3) Despite any other provision of this Plan, if a RSU Settlement Date falls on, or within nine (9) Business Days immediately following a date upon which a Participant is subject to trading restrictions due to a black-out period or other trading restriction imposed by the Corporation (but, for greater certainty, not a cease trade order or other restriction imposed by any person other than the Corporation) (a "Black-Out Period"), then the RSU Settlement Date will be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Corporation is lifted, terminated or removed.

4.4 Termination

- (1) Except as otherwise provided in the RSU Participant's Grant Agreement and regardless of any adverse or potentially adverse tax or other consequences resulting from the following:
 - (a) if an RSU Participant ceases to be an Eligible Person as a result of resignation or the RSU Participant's employment being terminated by the Corporation or the Affiliate without Cause, any unvested Restricted Share Units held by the RSU Participant will automatically terminate and become void immediately, and each vested Restricted Share Unit will cease to be settleable on the earlier of (i) the original Expiry Date of the Restricted Share Unit and (ii) one hundred eighty (180) days following the Termination Date;
 - (b) if an RSU Participant ceases to be an Eligible Person as a result of Retirement, all unvested Restricted Share Units held by the RSU Participant shall continue to vest and vested Restricted Share Units shall be exercisable (in each case) in accordance with this Plan and the applicable RSU Grant Agreement for a period of twelve (12) months following the Termination Date;
 - (c) if an RSU Participant ceases to be an Eligible Person as a result of Disability, at the discretion of the Board all unvested Restricted Share Units held by the RSU Participant shall continue to vest and vested Restricted Share Units shall be exercisable (in each case) in accordance with this Plan and the applicable RSU Grant Agreement, otherwise each unvested Restricted Share Unit held by the RSU Participant will automatically terminate and become void immediately, and each vested Restricted Share Unit will cease to be settleable on the earlier of (i) the original Expiry Date of the Restricted Share Unit and (ii) one hundred eighty (180) days following the Termination Date;
 - (d) if an RSU Participant ceases to be an Eligible Person as a result of death, unvested Restricted Share Units in the year of death will be vested on a prorated basis to the date of death and all remaining unvested Restricted Share Units held by the RSU Participant will automatically terminate and become void immediately, and each vested Restricted Share Unit (which shall be exercisable by the legal representative of the RSU Participant) will cease to be exercisable on the earlier of (i) the original Expiry Date of the Restricted Share Unit and (ii) one hundred and eighty (180) days following the Termination Date; and
 - (e) If an RSU Participant ceases to be an Eligible Person as a result of the RSU Participant's employment being terminated by the Corporation or the Affiliate for Cause, each Restricted Share Unit, whether vested or unvested, held by the RSU Participant will automatically terminate and become void.

PERFORMANCE SHARE UNITS

5.1 Grant of Performance Share Units

- (1) Subject to the provisions of this Plan, the Board may grant Performance Share Units to any Eligible Person upon the terms, conditions and limitations set forth herein and such other terms, conditions and limitations permitted by and not inconsistent with this Plan as the Board may determine.
- (2) The grant of a Performance Share Unit shall be evidenced by a Grant Agreement, signed on behalf of the Corporation.
- (3) The Corporation shall maintain a notional account for each PSU Participant, in which shall be recorded the number of vested and unvested Performance Share Units granted or credited to such Participant.
- (4) The grant of a Performance Share Unit to a PSU Participant, or the settlement of a Performance Share Unit, under the Plan shall neither entitle such PSU Participant to receive nor preclude such PSU Participant from receiving subsequently granted Performance Share Units.

5.2 Vesting

The vesting provisions in respect of a grant of Performance Share Units will be prescribed by the Board of Directors at the time of grant and be set forth in the respective PSU Participant's Grant Agreement, provided however that no Performance Share Units shall vest before the date that is one year following the grant date.

5.3 Settlement of Performance Share Units

- (1) Except as otherwise provided in a PSU Participant's Grant Agreement or any other provision of this Plan:
 - (a) subject to all of the vested Performance Share Units covered by a particular grant and the related Performance Share Units credited pursuant to Section 3.9, if any, shall be settled within sixty (60) days of their PSU Vesting Date (the "PSU Settlement Date"), but in no

event shall any Performance Share Units be settled later than December 31 of the third calendar year following the year in which the services giving rise to the award were rendered;

- (b) settlement shall take the form of Shares issued from treasury or purchased on the secondary market in accordance with Section 4.3(1)(c) or a payment to be satisfied by the delivery by the Corporation of cash through its regular payroll practices, in each case as determined by the Board provided that, for greater certainty, no such determination shall be made during a Black-Out Period, to the PSU Participant of an amount equal to the Market Value of a Share on the PSU Vesting Date, multiplied by the number of vested Performance Share Units to be settled on that PSU Settlement Date, the whole being subject to the terms of Section 3.7; and
 - (c) the Corporation may, in lieu of an issuance of Shares from treasury or a cash payment contemplated in Section above, on the PSU Settlement Date, elect to, through a Broker, acquire on behalf of such Participant, the number of whole Shares that is equal to the number of whole Performance Share Units to be settled on the PSU Settlement Date (less any amounts in respect of applicable Withholding Obligations); provided that no such election shall be made during a Black-out Period. If the Corporation elects to arrange for the purchase of Shares by a Broker on behalf of the Participant, the Corporation shall contribute to the Broker an amount of cash sufficient, together with any reasonable brokerage fees or commission fees related thereto, to purchase the whole number of Shares to which the Participant is entitled and the Broker shall purchase those Shares, on behalf of such Participant, on the Stock Exchange.
- (2) Following receipt of the Shares or payment as contemplated in subsection (1), the Performance Share Units so settled shall be of no value whatsoever and shall be struck from the Participant's notional account.
 - (3) Despite any other provision of this Plan, if a PSU Settlement Date falls on, or within nine (9) Business Days immediately following a Black-Out Period, then the PSU Settlement Date will be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Corporation is lifted, terminated or removed.

5.4 Termination

- (1) Except as otherwise provided in the PSU Participant's Grant Agreement and regardless of any adverse or potentially adverse tax or other consequences resulting from the following:
 - (a) if a PSU Participant ceases to be an Eligible Person as a result of resignation or the PSU Participant's employment being terminated by the Corporation or the Affiliate without Cause, any unvested Performance Share Units held by the PSU Participant will automatically terminate and become void immediately, and each vested Performance Share Unit will cease to be settleable on the earlier of (i) the original Expiry Date of the Performance Share Unit and (ii) one hundred eighty (180) days following the Termination Date;
 - (b) if a PSU Participant ceases to be an Eligible Person as a result of Retirement, all unvested Performance Share Units held by the PSU Participant shall continue to vest and vested Performance Share Units shall be exercisable (in each case) in accordance with this Plan and the applicable PSU Grant Agreement for a period of twelve (12) months following the Termination Date;
 - (c) if a PSU Participant ceases to be an Eligible Person as a result of Disability, at the discretion of the Board all unvested Performance Share Units held by the PSU Participant shall continue to vest and vested Performance Share Units shall be exercisable (in each case) in accordance with this Plan and the applicable PSU Grant Agreement, otherwise each unvested Performance Share Unit held by the PSU Participant will automatically terminate and become void immediately, and each vested Performance Share Unit will cease to be settleable on the earlier of (i) the original Expiry Date of the Performance Share Unit and (ii) one hundred eighty (180) days following the Termination Date;
 - (d) if a PSU Participant ceases to be an Eligible Person as a result of death, unvested Performance Share Units in the year of death will be vested on a prorated basis to the date of death and all remaining unvested Performance Share Units held by the PSU Participant will automatically terminate and become void immediately, and each vested Performance Share Unit (which shall be exercisable by the legal representative of the PSU Participant) will cease to be exercisable on the earlier of (i) the original Expiry Date of the Performance Share Unit and (ii) one hundred and eighty (180) days following the Termination Date; and
 - (e) If a PSU Participant ceases to be an Eligible Person as a result of the PSU Participant's employment being terminated by the Corporation or the Affiliate for Cause, each Performance Share Unit, whether vested or unvested, held by the PSU Participant will automatically terminate and become void.

CHANGE OF CONTROL EVENT

6.1 Conversion or Exchange of Units

- (1) Despite any other provision of this Plan, in the event of a Change of Control Event all unvested Units then outstanding will be substituted by or replaced with Units or similar awards of the surviving corporation (or any affiliate thereof) or the potential successor (or any affiliate thereto) (the "continuing entity") on the same terms and conditions as the original Units as adjusted for the Change of Control Event.
- (2) If within 12 months of a Change of Control Event, a Participant's employment with the Corporation, an Affiliate or the continuing entity is terminated without Cause, or the Participant resigns from his employment for Good Reason, the vesting of all Units then held by such Participant (and, if applicable, the time during which such Units may be settled) will, at the discretion of the Board, be accelerated in full using performance metrics at the time of the Change of Control Event.

BOARD APPROVAL

7.1 Effective Date

This Plan was initially adopted by the Board approved by the Board and the shareholders effective July 10, 2019 (the "Effective Date").

- (3) The aggregate number of Shares reserved under this Plan, and under all other Security Based Compensation Arrangements of the Corporation must not exceed 10% of the total number of Shares issued and outstanding from time to time (calculated on a non-diluted basis). Any Shares subject to a DSU which has been settled or for any reason is cancelled or terminated without having been settled, will again be available for grants under this Plan, and under all other Security Based Compensation Arrangements of the Corporation. Fractional shares will not be issued and will be treated as specified in Section 3.8(3).
- (4) If there is a change in or exchange of the issued and outstanding Shares by reason of any stock dividend or split, recapitalization, amalgamation, arrangement, merger, take-over bid, compulsory acquisition, consolidation, combination or exchange of shares, or other corporate change, the Board may, subject to the prior approval of the Stock Exchange if required pursuant to the applicable rules thereof, make appropriate substitution or adjustment in its sole discretion in:

3.5 Amendment and Termination

- (1) The Board may suspend or terminate this Plan at any time, or from time to time amend or revise the terms of this Plan or of any DSU granted under this Plan and any Grant Agreement relating thereto, provided that except as otherwise provided herein no such suspension, termination, amendment or revision will be made:
 - (a) except in compliance with applicable law and with the prior approval, if required, of the Stock Exchange or any other regulatory body having authority over the Corporation, this Plan or the Shareholders; and
 - (b) in the case of an amendment or revision to this Plan or any Grant Agreement, if it would materially adversely affect the rights of any Participant, without the consent of the Participant.

For greater certainty, no such amendment or revision shall be made to this Plan that results in this Plan or the DSUs to be considered a "salary deferral arrangement" as defined in subsection 248(1) of the ITA (or any successor provision).
- (2) If this Plan is terminated, the provisions of this Plan and any administrative guidelines and other rules and regulations adopted by the Board and in force on the date of termination will continue in effect as long as any DSU or any rights granted pursuant to this Plan remain outstanding and, despite the termination of this Plan, the Board may make such amendments to this Plan or to the terms of any outstanding DSUs as they would have been entitled to make if this Plan were still in effect.
- (3) Subject to any applicable rules of the Stock Exchange and Section 3.5(4), the Board may from time to time, in its absolute discretion and without the approval of Shareholders, make the following amendments to this Plan or any DSU:
 - (a) any amendment to the vesting provisions of this Plan and any Grant Agreement;
 - (b) any amendment to this Plan, any Grant Agreement or any DSU as necessary to comply with applicable law or the requirements of the Stock Exchange or any other regulatory body having authority over the Corporation, this Plan or the Shareholders;

- (c) any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of this Plan, correct or supplement any provision of this Plan that is inconsistent with any other provision of this Plan, correct any grammatical or typographical errors or amend the definitions in this Plan regarding administration of this Plan;
 - (d) any amendment respecting the administration of this Plan; and
 - (e) any other amendment that does not require the approval of Shareholders under Section 3.5(4).
- (4) Shareholder approval is required for the following amendments to this Plan:
- (a) any increase in the maximum number of Shares that may be issuable pursuant to DSUs granted under this Plan as set out in Section 3.3(3);
 - (b) any cancellation and reissue of DSUs, or substitution of DSUs with cash or other awards on terms that are more favourable to the holders of DSUs;
 - (c) any amendment to the Insider participation limit set out in Section 3.4;
 - (d) any amendment to Section 3.5(3) or (4);
 - (e) any change that would materially modify the eligibility requirements for participation in this Plan; and
 - (f) any amendment to Section 3.10.

3.6 Compliance with Legislation

- (1) This Plan, the terms of the issue or grant of, and the grant of, any DSUs under this Plan, and the Corporation's obligation to deliver a payment or issue Shares, is subject to all applicable federal, provincial and foreign laws, rules and regulations, the rules and regulations of the Stock Exchange and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Corporation, be required. The Corporation is not obliged by any provision of this Plan or the grant of any DSU under this Plan to issue Shares if, in the opinion of the Board, such action would constitute a violation by the Corporation or a Participant of any laws, rules and regulations or any condition of such approvals. Further, the Corporation may, without amending this Plan, modify the terms of DSUs granted to Participants who are foreign nationals or who provide services to the Corporation or any Affiliate from outside of Canada in order to comply with the applicable laws of such foreign jurisdictions, with such modification to this Plan with respect to a particular Participant to be reflected in the Grant Agreement for such Service Provider, all as may be determined by the Board in its discretion.
- (2) The Participant agrees to fully cooperate with the Corporation in doing all such things, including executing and delivering all such agreements, undertakings or other documents or furnishing all such information as is reasonably necessary to facilitate compliance by the Corporation with such laws, rule and requirements, including all tax withholding and remittance obligations.
- (3) No DSU shall be granted and no Shares issued under this Plan, where such grant or issue would require registration of this Plan or of Shares under the securities laws of any foreign jurisdiction, and any purported grant of any DSU or purported issue of Shares under this Plan in violation of this provision is void.
- (4) The Corporation has no obligation to issue any Shares pursuant to this Plan unless such Shares have been duly listed, upon official notice of issuance, with (or conditional ground for listing by) the Stock Exchange. Shares issued to Participants pursuant to the settlement of DSUs may be subject to limitations on sale or resale under applicable securities laws.
- (5) If Shares cannot be issued to a Participant upon the settlement of a DSU due to legal or regulatory restrictions, the obligation of the Corporation to issue such Shares will terminate. For greater certainty, where the obligation of the Corporation to issue Shares terminates pursuant to this Section 3.6(5) the Board in its discretion will consider a suitable alternative compensation arrangement having regard to the particular affected Participant.

3.7 Tax Withholdings

- (1) Despite any other provision contained in this Plan, in connection with the settlement of a DSU from time to time, the Corporation may withhold from any amount payable to a Participant, including the issuance of Shares to a Participant upon the settlement of such Participant's DSUs, such amounts as are required by law to be withheld or deducted as a consequence of the settlement of DSUs or other participation in this Plan ("**Withholding Obligations**"). The Corporation has the right, in its sole discretion, to satisfy any Withholding Obligations by:
 - (a) selling or causing to be sold through a broker, on behalf of any Participant, such number of Shares issued to the Participant on the settlement of DSUs as is sufficient to fund the Withholding Obligations;
 - (b) retaining the amount necessary to satisfy the Withholding Obligations from any amount which would otherwise be delivered, provided or paid to the Participant by the Corporation, whether under this Plan or otherwise;
 - (c) requiring the Participant to (i) remit the amount of any such Withholding Obligations to the Corporation in advance; (ii) reimburse the Corporation for any such Withholding Obligations; or (iii) cause a broker who sells Shares acquired by the Participant on behalf of the Participant to withhold from the proceeds realized from such sale the amount required to satisfy any such Withholding Obligation and to remit such amount directly to the Corporation; and/or
 - (d) making such other arrangements as the Corporation may reasonably require, provided that, for greater certainty, no determination by the Corporation in respect of any of the foregoing shall be made during a Black-Out Period.
- (2) The sale of Shares by the Corporation, or by a broker engaged by the Corporation (the "**Broker**") for the purposes of selling Shares on behalf of Participant, will be made on the Stock Exchange; provided that, for greater certainty, no such sale of Shares shall be made during a Black-Out Period. The Participant consents to such sale and grants to the Corporation an irrevocable power of attorney to effect the sale of such Shares on his behalf and acknowledges and agrees that: (i) the number of Shares sold will be, at a minimum, sufficient to fund the Withholding Obligations net of all selling costs, which costs are the responsibility of the Participant and which the Participant hereby authorizes to be deducted from the proceeds of such sale; (ii) in effecting the sale of any such Shares, the Corporation or the Broker will exercise its sole judgment as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; and (iii) neither the Corporation nor the Broker will be liable for any loss arising out of such sale of the Shares including any loss relating to the pricing, manner or timing of the sales or any delay in transferring any Shares to a Participant or otherwise.
- (3) The Participant further acknowledges that the sale price of the Shares will fluctuate with the market price of the Shares and no assurance can be given that any particular price will be received upon any sale.

3.8 Miscellaneous

- (1) Nothing contained in this Plan will prevent the Board from adopting other or additional Security Based Compensation Arrangements or compensation arrangements, subject to any required approval.
- (2) This Plan does not grant any Participant or any employee of the Corporation or its Affiliates the right or obligation to serve or continue to serve as a director of the Corporation or its Affiliates. The awarding of DSUs to any Eligible Director is a matter to be determined solely in the discretion of the Board. This Plan will not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Shares or any other securities in the capital of the Corporation other than as specifically provided for in this Plan. The grant of a DSU to, or the settlement of a DSU by, a Participant under this Plan does not create the right for such Participant to receive additional grants of DSUs under this Plan.
- (3) No fractional Shares will be issued upon the settlement of DSUs granted under this Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the settlement of a DSU, or from an adjustment pursuant to Section 3.3(4), such Participant will only have the right to receive the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.
- (4) The Corporation makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting the Participant resulting from the grant or settlement of a DSU and/or transactions in the Shares. The Corporation does not assume responsibility for the income or other tax consequences resulting to the Participant and they are advised to consult with their own tax advisors.
- (5) Neither the Corporation, nor any of its directors, officers, employees, Shareholders or agents will be liable for anything done or omitted to be done by such person or any other person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares under this Plan, with respect to any fluctuations in the market price of Shares or in any other manner related to this Plan.
- (6) The Board may adopt such rules or regulations and vary the terms of this Plan and any DSU issued in accordance with this Plan as it considers necessary to address tax or other requirements of any applicable non-Canadian jurisdiction.
- (7) Participants (and their legal personal representatives) have no legal or equitable rights, claims, or interest in any specific property or assets of the Corporation or any Affiliate. No assets of the Corporation or any Affiliate will be held in any way as collateral security for the fulfillment of the obligations of the Corporation or any Affiliate under this Plan. Any and all of the Corporation's or any Affiliate's assets are, and remain, the general unpledged, unrestricted assets of the Corporation or Affiliate. The Corporation's or any Affiliate's obligation under this Plan are merely that of an unfunded and unsecured promise of the Corporation or such Affiliate to pay money in the future, and the rights of Participants (and their legal personal representatives) are no greater than those of unsecured general creditors.
- (8) Subject to any required approval by the Stock Exchange or regulatory authority, in the case of any merger, amalgamation, arrangement, rights offering, subdivision, consolidation, or reclassification of the Shares or other relevant change in the capitalization of the Corporation, or stock dividend or distribution (excluding dividends or distributions which may be paid in cash or in Shares at the option of the Shareholder), or exchange of the Shares for other securities or property, the Corporation shall make appropriate adjustments in the amounts payable, as the case may be, as determined as appropriate by the Board, to preclude a dilution or enlargement of the benefits hereunder, and any such adjustment (or non-adjustment) by the Corporation shall be conclusive, final and binding upon the Participants. For greater certainty, no amount will be paid to, or in respect of, a Participant under this Plan or pursuant to any other arrangement, and no additional DSUs will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (9) No interest or other amounts shall accrue to the Participant in respect of any amount payable by the Corporation to the Participant under this Plan or a DSU.
- (10) In the event that a DSU is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant DSUs on terms different from those permitted under this Plan, the DSU, or the grant of such DSU, to the extent possible shall not be in any way void or invalidated, but the DSU so granted will be adjusted to become, in all respects, conforming with this Plan.
- (11) Upon settlement of DSUs, the DSUs settled shall be cancelled and no further payments shall be made from the Plan in relation to such DSUs.
- (12) This Plan is governed by the laws of the Province of Alberta and the federal laws of Canada applicable therein.

3.9 Dividend Equivalents

Subject to the limits set forth in Section 3.4, in the event a dividend becomes payable on the Shares, then on the payment date for such dividend, each Participant's notional account shall, unless otherwise determined by the Board in respect of any grant of DSUs, be credited with additional DSUs (including fractional DSUs) of the same kind as credited in such Participant's applicable notional account, the number of which shall be determined by dividing: (i) the amount determined by multiplying (a) the number of DSUs in such Participant's notional account on the record date for the payment of such dividend by (b) the dividend paid per Share, by (ii) the Market Value of a Share on the dividend payment date for such dividend, in each case, with fractions computed to two decimal places. Such additional DSUs (including fractional DSUs), if credited, shall vest on the same basis as the underlying DSUs. In the event that the Corporation does not have a sufficient number of Shares available to grant DSUs in lieu of payment of dividends (taking into account the limits set forth in Section 3.4), the Corporation shall pay such dividend in cash.

3.10 Transfer and Assignment

DSUs are not transferable or assignable by a Participant otherwise than by will or the laws of descent and distribution, and will be settled only by a Participant during the lifetime of the Participant and, subject to Section 4.5(1) after death only by the Participant's legal representative.

3.11 Notice

Any notice required to be given by this Plan must be in writing and be given by registered mail, prepaid postage, or delivered by courier or by facsimile transmission addressed, if to the Corporation, to the office of the Corporation; or if to a Participant, to such Participant at his address as it appears on the

books of the Corporation or in the event of the address of any such Participant not so appearing, then to the last known address of such Participant; or if to any other person, to the last known address of such person.

3.12 Clawback Policy

The Corporation has adopted a clawback policy, as amended from time to time, specifying the consequences with respect to incentive awards in the event of gross negligence, fraud or willful misconduct resulting in a restatement of the Corporation's financial statements. The clawback policy applies to any DSUs granted under this Plan.

3.13 Rights of Participants

No person entitled to settle any DSU granted under this Plan has any of the rights or privileges of a Shareholder in respect of any underlying Shares issuable upon settlement of such DSU until such DSU has been settled and such underlying Shares have been issued to such person. For greater certainty, nothing contained in this Plan nor in any DSU granted in accordance with this Plan is deemed to give any Participant any interest or title in or to any Shares or any other legal or equitable right against the Corporation or any of its Affiliates whatsoever other than as set forth in this Plan and pursuant to the settlement of any DSU.

3.14 Right to Issue Other Shares

The Corporation is not by virtue of this Plan restricted in any way from declaring and paying stock dividends, issuing further Shares, repurchasing Shares or varying or amending its share capital or corporate structure, in any way.

3.15 Quotation of Shares

So long as the Shares are listed on the Stock Exchange, the Corporation must apply to the Stock Exchange for the listing or quotation, as applicable, of the Shares that may be issued upon the settlement of DSUs granted under this Plan, however, the Corporation cannot guarantee that such Shares will be listed or quoted on the Stock Exchange.

DSU grants and accounts

4.1 Grant of DSUs

The Board may, in its sole discretion, grant such number of DSUs to an Eligible Director as the Board determines to be appropriate in respect of the services the Eligible Director provides to the Corporation as a member of the Board. All grants of DSUs pursuant to this Section 4.1 shall be in addition to any grants of DSUs pursuant to Section 4.2. The Board shall determine the date on which such DSUs shall be granted and credited to a Participant's Deferred Share Unit Account; provided that no grant of DSUs under this Section 4.1 shall occur during a Black-Out Period and in such event, such grant shall be made after the third Business Day following the expiry of such Black-Out Period. Each grant of DSUs pursuant to this Section 4.1 must be confirmed by a grant agreement in the form of Schedule "A" attached hereto.

4.2 Election to Participate

- (1) Each Participant shall have, subject to the conditions stated herein, the right to elect, irrevocably and in advance, the portion of any of their Annual Director Fees that the Participant wishes to be satisfied by way of DSUs credited to their Deferred Share Unit Account (with the remainder of such Annual Director Fees, if any, to be received in cash), and shall have the right to amend or revoke such election annually, within the time periods specified below. The election or amended election, as the case may be, shall be made by completing, signing and delivering a notice of election in the form of Schedule "B" attached hereto (the "**Election Notice**") with the Corporation's Chief Financial Officer. In order to make such an election, the Participant must submit their Election Notice as follows:
 - (a) in the case of an existing Eligible Director as of the Effective Date, as soon as possible, and in any event no later than five Business Days after the Effective Date, with such election to apply in respect of any portion of the Annual Director Fees for the 2022 calendar year that is otherwise payable after the date of such election in accordance with the Corporation's normal Director compensation policies; provided that such election cannot be made during a Black-Out Period;

- (4) Subject to Section 4.2(2), each Participant is entitled to terminate or change his or her election specified in any Election Notice filed with the Corporation by filing with the Chief Financial Officer of the Corporation a subsequent Election Notice, provided that no Participant shall be entitled to file more than one Election Notice in any calendar year unless specifically authorized by resolution of the Eligible Directors.

4.3 Vesting

The vesting date of any DSU shall not be earlier than the date that is one year following the date the DSU is granted to an Eligible Director. Vesting may be accelerated for a Participant who dies or who ceases to be an Eligible Director in connection with a change of control, take-over bid or other similar transaction.

4.4 Recording of DSUs

- (1) An account, to be known as a "**Deferred Share Unit Account**" shall be maintained by the Corporation for each Participant, in which account shall be recorded all DSUs credited to a Participant from time to time.
- (2) Each grant of DSUs in accordance with Section 4.1 shall be recorded by the Corporation in the Participant's Deferred Share Unit Account as soon as reasonably practicable after the date of such grant.
- (3) Each Participant who has filed an Election Notice in accordance with Section 4.2 electing to receive DSUs shall be credited with DSUs as hereinafter provided in respect of its Annual Director Fees quarterly in arrears on the last Business Day of each quarter in each year while such Election Notice remains in effect. Any DSUs credited to a Participant in accordance with any provision of this Plan shall be recorded by the Corporation in the Participant's Deferred Share Unit Account as soon as reasonably practicable thereafter.
- (4) The number of DSUs credited at any particular time with respect to any amount in respect of which a Participant shall have elected pursuant to Section 4.2 will be calculated by dividing such amount by the Market Value of a Share on the relevant quarterly payment date for such amount.

4.5 Redemption of DSUs

- (1) The value of the DSUs credited to a Participant's Deferred Share Unit Account shall be redeemable by the Participant (or, where the Participant has died, his or her estate) at the Participant's option (or after the Participant's death, at the option of his or her legal representative) solely following the date on which the Participant ceases to be an Eligible Director or employee of the Corporation for the purposes of the *Income Tax Act* (Canada) for any reason, including death, resignation, or termination with or without cause (the "**Termination Date**"). The value of the DSUs shall be redeemed by filing a written notice of redemption in the form of Schedule "C" attached hereto with the Chief Financial Officer of the Corporation, specifying (i) either one or two redemption dates, and (ii) the percentage of DSUs held by the Participant to be redeemed on each such redemption date (which when added together shall equal 100%). Each redemption date specified in the notice of redemption shall, subject to Section 4.5(4), occur during the period commencing at least five Business Days following the date on which such notice is filed with the Chief Financial Officer of the Corporation and ending no later than 11 months following the Participant's Termination Date. If no notice of redemption has been filed, then there shall be deemed to be a redemption date on after the date that is 11 months following the Participant's Termination Date. - (2) Settlement shall take the form of Shares issued from treasury or purchased on the secondary market in accordance with Section 4.5(3) or a payment to be satisfied by the delivery by the Corporation of cash through its regular payroll practices, in each case as determined by the Board provided that, for greater certainty, no such determination shall be made during a Black-Out Period, to the Participant of an amount equal to the Market Value of a Share on the redemption date, multiplied by the number of DSUs to be settled, the whole being subject to the terms of Section 3.7.
- (3) The Corporation may, in lieu of an issuance of Shares from treasury or a cash payment contemplated in Section 4.5(2) above, on the settlement date elect to, through a Broker, acquire on behalf of such Participant, the number of whole Shares that is equal to the number of whole DSUs to be settled on the settlement date (less any amounts in respect of applicable Withholding Obligations); provided that no such election shall be made during a Black-Out Period. If the Corporation elects to arrange for the purchase of Shares by a Broker on behalf of the Participant, the Corporation shall contribute to the Broker an amount of cash sufficient, together with any reasonable brokerage fees or commission fees related thereto, to purchase the whole number of Shares to which the Participant is entitled and the Broker shall purchase those Shares, on behalf of such Participant, on the Stock Exchange.
- (4) Despite any other provision in this plan, if a settlement date falls on a date upon which a Participant is subject to trading restrictions due to a black-out period or other trading restriction imposed by the Corporation (but, for greater certainty, not a cease trade order or other restriction imposed by any person other than the Corporation) (a "**Black-Out Period**"), then the settlement date will be automatically extended to the third Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Corporation is lifted, terminated or removed.
